

SynergyMail Now Offers Call Tracking

Our call tracking has been completely rebuilt from the ground up! Call tracking now offers state-of-the-art features that normally cost hundreds or even thousands of dollars per month. The best part is that it's now included in our suite of products at **NO ADDITIONAL CHARGE!**

Here are some of the new features:

Enhanced Call Tracking:

- Full demographic data on each caller:
 1. *Full Name*
 2. *Address*
 3. *Device/Carrier/Length of Time with Carrier*
 4. *Gender & Age*
 5. *Business or Residential Number*
- Visually stunning display isolating each caller on Google Maps
- Downloadable reports on all calls and caller demographics
- Secure client access to incoming calls and recordings

The benefits of the above will ensure your clients have all the information needed to further target and market to their audience and follow up with relevant information.
